Welcome!

We would like to take this opportunity to welcome you to The Woods Farm, Jervis Bay. A slice of heaven to call home for a couple of days.

We encourage you to explore the grounds, meet the animals, and introduce yourself to the other guests. We want you all to see for yourself, why each and every one of you has been invited to share in our special day. Get to know each other, because when the dance floor opens - we want you all out there with us!

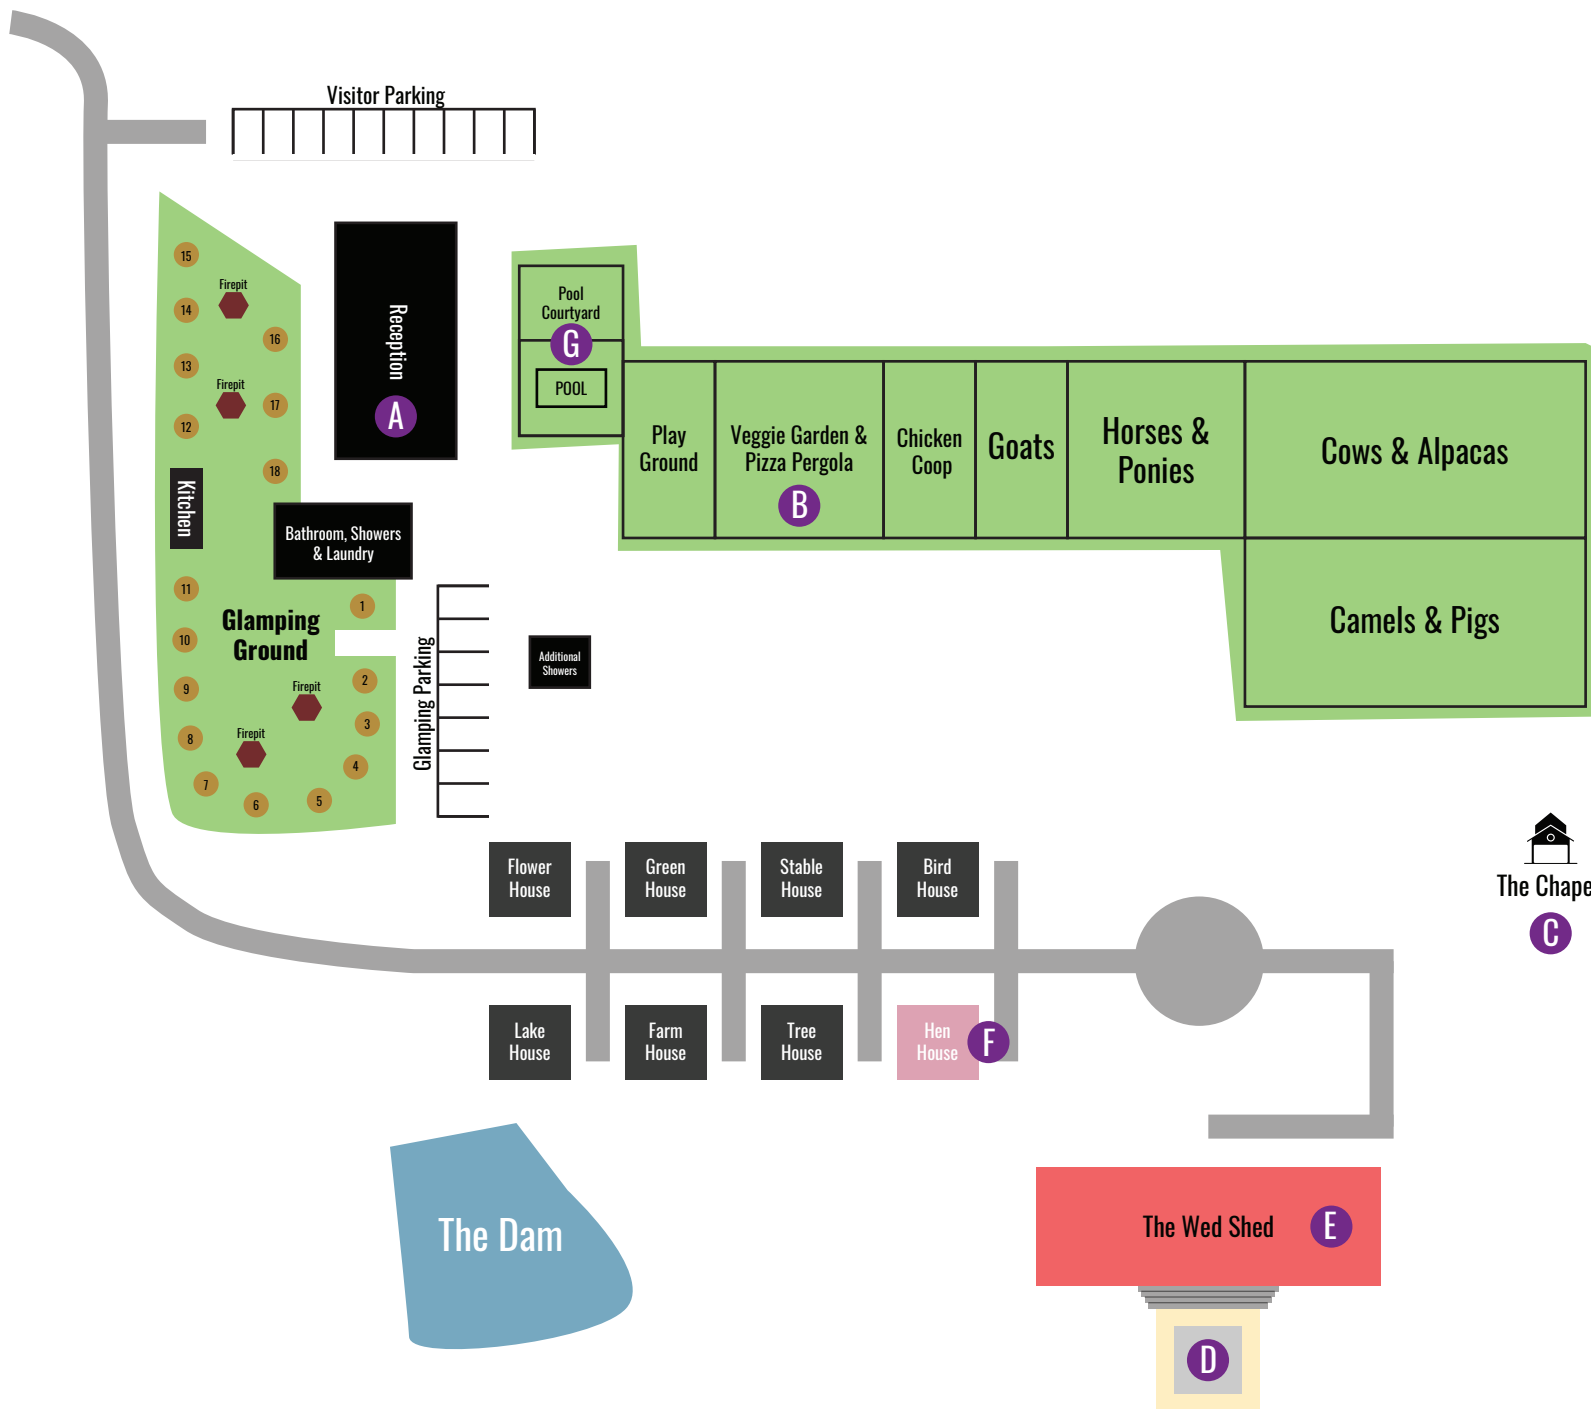

Please take lots of photos, and be sure to use the hashtag below so we can find them, however please note...

Our Ceremony is strictly an 'unplugged' event except for one dedicated portion of time. When you are invited to by our celebrant, we encourage you all to pull out your devices and snap all of the insta-worthy pictures you desire.

We simply ask that no images of the ceremony or our Bridal Party be posted until after we have had the opportunity to post them ourselves. Any and all images of you, the venue and family/friends enjoying themselves are encouraged!

Thank you for joining us, and we truly hope you enjoy yourselves!
